New Tanzania Training Site!

District leaders were introduced to LTI's training modules.

The Tanzania training event was a tremendous success! Dr. Steven Kiruswa, overseer of the new LTI training site, also runs an educational and humanitarian center in northeast Tanzania. Our team taught one LTI module to nearly 100 leaders from across the Longido district to introduce the content of the materials. The following two days we held a training seminar to certify 12 instructors. The re-

sponse was so positive that they decided to start four training sites across the district instead of one!

Dr. Kiruswa has officially launched his campaign for Tanzanian Parliament (equal to the U.S. Congress) and has won his party's nomination. The election will be held October 25th. Pray for the election of godly leaders in the nation.

LTI president, Kevin Hinman, teaching at the Start-Up Event

Twelve instructors were certified at LTI's Start-Up Event.

Following the Tanzania training, Terry flew to Uganda to join other speakers for the annual 14th Youth Ablaze Conference with Bishop Elijah Sebuchu's ministry.

It was a great joy to minister alongside John Mannion and Neal Kelley. John and Audrey Mannion (and family) were our mentors when we began our missionary service in Uganda in 1998.

7,150 from 9 countries registered for Youth Ablaze Conference!

Training in Honduras!

Certification training at Bethel Leadership Institute

In March, Terry served as the guest speaker for the 31 graduates of the 2-year leadership training program in Honduras.

Terry was pleased to return in July to train and certify more instructors and small group leaders who will conduct another 2-year training cycle. Over 30 more

leaders are expected to enroll from several denominations. It is great to see the unity among these churches.

What a joy it was to attend a service and to see the completion of the new building for Church of Christ Holiness. (Please see before and after pictures above.)

How exciting to see the ministry progress of our close friend, Pastor Elijah Sebuchu. We visited the new ba-

Uganda—Hands of Love Children's Home

by home and new hospital which are currently under construction. The Christian school is due to open in January. Glory to God for His sovereignty in this ministry!
