

## Expanding in Mexico

**W**hat a privilege

it was for us to conduct two Start-Up Events in the state of Oaxaca, Mexico. Victory Bible School (Roca Blanca) has

been using the LTI Curriculum for 10 years and requested to have new Instructors certified and Small Group Leaders trained, along with a new Site Administrator oriented to the program. We also launched a new training site in the mountains at Panixtlahuaca, about 2.5 hours away from Roca Blanca.

**W**e received an

exciting report regarding the new training site in Barhona, Dominican Republic. John, an LTI Certified In-

structor, shared ... *"It was an amazing first day of training with 45 pastors in attendance. Instructors were introduced, the first module was taught along with small group breakout sessions. Everyone had positive feedback about the class. Pictured is an instructor using a basketball as his invitation - "hook."*

# Impacting Jamaica

**W**e are pleased to report that Impact Leadership Institute in Jamaica has completed their 2-year leadership program, holding their first graduation for 41 students. They plan to begin a second cycle of training leaders.

**L**ianne is actively involved in girls ministry at our local church and helped lead a group of girls and ladies camping in tents. There were hundreds from other churches in Florida. They had fun participating in numerous activities. Girls' hearts were touched by God during our wonderful services.
